

JK Mama Cass from ANTICLONING

Sunday, 28 May 2006

MAMA CASS SAT IN THE HAMBURGER HAMLET.

Another track from Anticloning - remember; same track; different song; must have a name in the title!

The lyrics are from personal experience, by the way. Yes; I was there. I remember it well.

Quite different from O Morrissey though, I think. Faster; higher key... do you get the rules of the board game?

Just fun for me in the early 90's.
