

RIP Maggie Thatcher

Monday, 08 April 2013

I met her a couple of times; an amazingly charismatic lady; great sense of humour; brilliant leader.

I disagreed with most of her social policies, thought she was a very good economic PM - I remember the 80s as a hugely positive time for those of us trying to succeed.

But I don't know much about politics. As a human being and as a leader she was terrific.
